Bedford Reader Questions. Questions on Writing Strategy 1. The author uses the "I would..." repetitively to show that his confused feeling as a child was so vivid in his memory. This vivid memory and the author's way of expressing it makes the reader feel more part of the time period that it was written in. 2. The last paragraph is effective because White uses very descriptive details, such as "buckled the swollen belt" to explain the accounts of his son jumping in the water just like he had ...
