You don't have to date a woman who has slept with a lot of men. If you find out a woman you are dating with has a past that you don't agree with, you have every right to break up with her and find another woman. My point is that if you do want to date her knowing what her past is like, don't judge her on her past.

Judging A Woman On Her Past? How Will It Affect Your Future?

As the girls get older, the dangers of their future careers become a lot more real. This book has a little less romance than the previous two, but a lot more action and a lot more character development. Don't Judge a Girl by Her Cover also doesn't end so tidily as the other two, which leaves the reader wringing her hands for more.
