I found them pretty repetitive. I thought an anthology of "essays" might include comments on politics, economics, science, sports, literature, culture, or whatever. I was surprised that one could find 50 identity-formation essays and think of them as totally remarkable. I think this anthology panders to late adolescents' growing-up pains.

Fifty Great Essays by Robert DiYanni - Allibris

The book Fifty Great Essays is filled with interesting passages that author Robert DiYanni deems are "great". Most of the essays in the book were exciting, but during a few of them I got bored after the first few paragraphs. Even though some of the passages didn't have interesting story lines, all of them contained great grammar and organization.
