Korean Crisis and Recovery Four years after the outbreak of the Asian economic crisis and three and one-half years after the beginning of the IMF program with Korea, the International Monetary Fund and the Korea Institute for International Economic Policy jointly sponsored a conference on the Korean crisis and recovery.

Korean Crisis and Recovery

crisis, they also could look back at a recovery at breath-taking speed. Hence, the title "Korean Crisis and Recovery" for a 2002 book that collects the papers of this conference seems indeed appropriate. The objective of the collection of articles is to look back at what lessons can be drawn from the Korean crisis and recovery, by inviting

Korean Crisis and Recovery, by David T. Coe and Kim Se-jik ...

This paper reviews and draws lessons from the stabilization and reform program that Korea implemented in response to the 1997-98 crisis. The economy recovered quickly from the deep recession in 1998 and its vulnerability to a balance of payments crisis has been reduced sharply.
