### Le Road Trip: A Traveler's Journal of Love and France ...

Le Road Trip is both a wonderful way to remember France if you have been and to see it in your imagination if you haven't. We sent our daughter and her new husband to France for their honeymoon and gave them Le Road Trip a few months before the wedding so they could anticipate their own experience (which turned out to be wonderful).

Travel Food Tip #1: Use up your most delicate fruit first when on long-haul road trips. In other words, start by eating bananas and berries, then move on to more sturdy produce such as apples and oranges. As an additional road trip food idea, save raisins and dried fruits for the end of the road trip as they do not risk spoiling.
