You are not a body, you are a soul. Life as we know it is just a step in spiritual advancement. So the purpose of life is to do everything you can to better prepare yourself for the next stage: enlightenment. -Parker Heuser. 9. Barrie Davenport

### What is the Purpose of Life? 16 Answers from 16 ...

What is Life? No matter how much scientists discover about the physical systems in organisms and their possible origin, they still have no clue about the infinitely more difficult question of where life came from. If you could make a baby from scratch, with all its physical parts in place, you still would not have a living human.
