**Daily Trust - "Pathfinders - The Golden Age of Arabic Science"**

Pathfinders: The Golden Age of Arabic Science. The Islamic renaissance laid the foundations for much modern thinking, writes Emilie Savage-Smith. The Muslim Empire became a major player on the stage of world politics over an astoundingly short period of time - between the middle of the 7th century AD, when Islam began in the desert cities of Arabia, and the middle of the 8th century AD, by which time it dominated a realm extending from Spain in the West to Central Asia in the East.
