Service Engine Soon Light Meaning. If the 'Service Engine Soon' light comes on, it means that there is a minor problem with the electronics or the engine of your car. Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement. Some manufacturers only have one indicator for both scheduled service and engine problems.

Kenneth Gadow/Demand Media. When the "service engine soon" light on your Cadillac comes on it means that there is a problem with one of the sensors related to the emissions system--primarily the oxygen sensors. These sensors monitor contaminants in the exhaust coming out of your Cadillac. Because Cadillac uses high-displacement engines in their vehicles, they produce a lot of pollution.
